- 2. A mirror that is at least 8x10 inches- a clip light (extension cord)**
- 3. I will supply the paper and some wet and dry media, however- you should bring the media and brushes that your students would use in the classroom.**
- 4. Bring a couple of digital portraits of yourself. – concentrate on head shots- not full body prints. Print a couple of each portrait 8x10 (or 11x14 if you prefer).**
