STUDENT RESPONSIBILITY PLEDGE

As a student attending ArtLab at Kansas City Art Institute, I realize that I share responsibility for the vitality and well-being of the KCAI community. I understand that there are certain rules (see Student Code of Conduct and Policies and Procedures) established to assist in maintaining a sense of community and to protect the rights of individual students. These rules enable all participants to work and live together for the duration of the program with minimum conflict and maximum personal freedom.

ArtLab is a community of individuals participating in a program founded to foster and encourage young artists. I understand I must accept responsibility for my own actions if I am found to be in violation of the principles governing that community. I understand that the administration for ArtLab has the right to inspect my belongings if it is deemed apparent that I am in violation of the regulations. I understand that should my actions warrant, I may be required to leave ArtLab and my parents/guardians will be responsible for expenses incurred in order for me to return home. In such a situation, I understand no refund of tuition or fees will be forthcoming.

In signing this document, I declare that I am aware of, I understand and I agree to uphold the regulations described on this form that apply to my behavior, and accept these responsibilities while I attend ArtLab. I declare that I have read and understand the Student Code of Conduct and the Policies and Procedures of ArtLab. I understand that violation of any rule may be grounds for instant dismissal from the program.
